At Cascade Conversions we transform and convert VW T5's into luxurious camper vans and surf buses. People's perception of camping has changed over the years and we strive to keep pace with the changes. Our modern, fully equipped and economical conversion provides a one-stop solution for your re-creational vehicle needs.

Unlike large motor homes the Cascade Conversion is more than a luxury purchase for occasional use, it's a practical investment for everyday transportation. A wonderfully fun, surprisingly affordable way to get you on your travels more often. Alternatively we can provide surf bus /people carrier conversions or simple modifications if you are looking to convert yourself. We offer lots of choices so you can design it just the way you want it. specific requirements with a super fast turnaround.

Cascade Conversions is a family operated and run business with 25 years experience in the motor home/van trade. For many years we have chosen camping as our family holiday option. Somehow a busy tourist area can't quite capture the meaningful experiences and family time spent whilst camping. Having noticed its growing popularity with adults and children alike we thought that the pleasures of campsite life deserved a vehicle that delivered style, practicality and affordability. We specialize in VW T5 conversions with the sole intent to make these unique vehicles to the highest quality but available to you at rock bottom prices. It is our priority to provide absolute satisfaction to all our customers. Our outstanding customer service and near limitless knowledge and resources are second to none. We realize you may have many choices to make and that's why we set a high level of standard in our personalized service to achieve complete satisfaction from our customers.

Come and visit our workshop and sample first hand the amazing options and outstanding value for money we can offer you. You'll find our prices, along with our service, are simply fantastic. If we don't have a vehicle in stock for you, don't worry, we can build a bespoke modification or camper van to your with a super fast turnaround.

## Vehicle Conversions

There are few vehicles which can approach the Volkswagen van for sheer classic presence. You'll find quality at every turn. The attention to detail is paramount. They give a high level of performance in handling, emissions and fuel efficiency, which is why we chose this popular ageless base vehicle. We only use the best materials and appliances to ensure our vehicles represent the best quality and value in the market place. You can equip your conversion to satisfy your specific needs with the help of our friendly team. We make sure you make the right choices starting from the outside to the interior.

We offer a basic modification to a fully self contained motorhome conversion.

We are respectful of peoples personal choices so the specifications are an indication of what can be fitted. We are more than happy to be flexible with any alterations, upgrades or exclusions you may have and come up with a competitive costing.

**The Urbane conversion** looks smart with a car like effect. Fully insulated and sound proofed. Can be used for work, travel or play.
